BT-BC 12 Battery charger

Art.-No. 10.567.00

Handy and robust 12 V battery charger type with backed enamelled steel sheet housing. To observe the charging progress the unit is equipped with an ammeter, indicating the prevailing charging current. The sturdy pole clips warrant a good contact at the battery poles. The unit has also a false poling- and overload protection device.

Features

- All-insulated construction
- Sheet steel housing
- Carrying handle (1)
- Built-in ammeter (2)
- Overload- and false poling protection
- Mains cable with europe plug
- Charging leads with sturdy pole clamps (3)
