The original Einhell E-Case Coolbox Adapter Plate is the perfect accessory for securely connecting the Einhell Cordless Coolbox TE-COL 18/27 Li to the modular E-Case system. It serves as a robust interface for safe transport and stackable storage. Using the E-Case's locking system, the mounted coolbox is firmly connected to the case beneath it. The adapter plate is made from impact-resistant, heat-resistant polypropylene and supports loads of up to 47 kg – including the coolbox, E-Cases and their contents. It is mounted using the supplied screws and the designated mounting holes on the underside of the coolbox.
