Laser Measuring Tool

TC-LD 40 R

Item No.: 2270078

Ident No.: 21013

Bar Code: 4006825675368

The Einhell TC-LD 40 R laser distance meter is a precise and versatile measuring device with a measuring range of 0.05 m to 40 m. Laser class II (635 nm) and a line accuracy of ± 3 mm ensure exact results for distance, area, and volume measurements. Measurements can be taken from the front or bottom edge. The continuous measurement function enables ongoing distance tracking. Features such as the illuminated LCD display, soft-grip surfaces, separately switchable laser, and automatic shut-off ensure comfortable and long-lasting use. Supplied with a pouch, but without batteries (requires 2x 1.5 V AAA).

Features & Benefits

- Precise measurement of distances up to 40 m
- Selectable measuring level from the front or bottom of the device
- Simple measurement of distances, areas and volumes
- Min/max distance function for continuous measurements
- Easy-to-read, illuminated LCD display
- Comfortable handling thanks to soft grip
- Automatic switch-off after 1 minute of non-use
- Safety function: separately switchable laser
- Incl. practical bag for storage
- 2x 1.5 V AAA batteries required (not included)

Technical Data

- | | |
|--------------------------|---------------|
| - Working range | 0.05 m - 40 m |
| - Measurement accuracy | ± 3 mm |
| - Laser type class | II |
| - Laser diode | 630 - 640 nm |
| - Automatic deactivation | 1 min |

Logistic Data

- | | |
|--------------------------------------|-----------------------|
| - Product weight (kg) | 0.07 |
| - Gross weight (kg) | 0.177 |
| - Dimensions single packaging | 128 x 50 x 221 mm |
| - Pieces per export carton | 10 Pieces |
| - Gross weight of export carton | 2.76 kg |
| - Dimensions export carton | 270 x 270 x 200 mm |
| - Container quantity (20"/40"/40"HC) | 18480 37840 41580 |
