The Einhell cordless fan GE-CF 18/200 M Li Silent-Solo provides refreshing relief outdoors even on hot days – whether camping or on the patio. As a fan with a spray mist function, it combines airflow with cooling: Fine droplets are evenly sprayed and provide a noticeable cooling sensation. The tool is driven by an Einhell Brushless motor for extra power and longer runtimes. Once you register online, there is a 10-year warranty on the motor. 3 air settings and 2 spray settings (when using the pump) allow for flexible adjustments. The hose connection and suction hose with filter allow water to be supplied via a tap or a bucket. The bases fit 20-litre buckets or those with a diameter of 30.5 cm. Battery and charger not included.
