Item No.: 3433375

Ident No.: 21015

Bar Code: 4006825687118

The Einhell electric leaf vacuum GC-EL 3026 E is a powerful 3-in-1 device with suction, blowing and shredding function – ideal for removing leaves, grass and lightweight cuttings around the home and garden. With 3,000 W power and practical speed control, it achieves a suction power of up to 720 m³/h and an air speed of max. 260 km/h. Selecting either of the functions is possible without tools using a switch. The leaves are shredded in a ratio of 10:1 and collected in the 40 L collection bag with level control. Guide wheels on the suction pipe, an adjustable additional handle and a carrying strap ensure back-friendly work. The cable strain relief protects the power cable during use.
