Cordless Air Compressor

SILENZZO 36/210

Item No.: 4020380

Ident No.: 21013

Bar Code: 4006825679359

The Einhell Professional cordless compressor SILENZZO 36/210 provides a breath of fresh air with maximum 8 bar. It is operated with an 8 l tank of 36 V Twin-Pack technology. With an intake capacity of maximum 210 l/minute and a delivery capacity of maximum 120 l/minute, it is therefore very powerful. The oil-free, service-free pump requires hardly any maintenance. Despite its high performance, the compressor works quietly and with low vibration. Two pressure gauges indicate working pressure and boiler pressure and the quick coupler enables quick connection of compressed air or pneumatic tools. The pressure reducer enables manual pressure adjustment. A carrying handle and sturdy frame make it mobile. Delivered without battery or charger.

Features & Benefits

- Member of the Power X-Change family, 2x 18 V battery required
