CLASSIC

Automatic Hose Reel (Air)

TC-PH 150

Item No.: 4138005

Ident No.: 21011

Bar Code: 4006825661965

The Einhell TC-PH 150 compressed air hose reel is always ready for use and handy. The hose reel consists of 15m compressed air & 1.5m connection hose (9mm inner diameter each). Max. working pressure: 16 bar. Both hoses consist of a PVC-rubber mixture. This material makes the hoses flexible and resistant to kinking. Thanks to automatic scanning, strain-relieved work is possible. The hose is rolled up safely thanks to automatic slow retraction. The layer-wound winding prevents blocking of the hose. The hook on the housing makes it possible to attach a blow gun. For flexible applications, the wall mount can be swivelled through 170°. Mounting accessories for the wall bracket are included.

Features & Benefits

- 15m air hose & 1.5m connection hose (9mm inner diameter each)
- Both hoses are made of a blend of rubber and PVC
- This material makes the hoses flexible and kink-resistant
- The maximum working pressure is 16 bar
- Strain-relieved operation thanks to automatic latching
- The hose is reeled up safely thanks to the automatic slow intake
- Layer-by-layer reeling prevents the hose becoming blocked
- A hook on the housing can be used to attach a blow-out gun
- Complete with 170°-swiveling wall bracket for flexible operation
- Delivered with accessories for fitting the wall bracket

Technical Data

- Hose length	15 m
- Connecting hose length	1.5 m
- Operating pressure max.	16 bar
- Hose inner diameter	9 mm
