

TC-PG 1000

Power Generator (Petrol)

Item No.: 4152530

Ident No.: 11016

Bar Code: 4006825618747

The Einhell TC-PG 1000 generator is a petrol-driven synchronous generator which is powered by a robust two-stroke petrol engine. The electricity is supplied from a 230 V socket to which standard devices can be connected. For easy operation there is a cable pull start. There is an integrated AVR automatic voltage regulator for constant output voltage: The voltage regulator maintains the output voltage at a constant level. For appliance safety and the protection of the connected electronics there is an overload switch. This generator from Einhell is fitted with carry-frames for protection and for easy transport. Sturdy legs hold it in a stable position while in use.

Features

- Powerful 2-stroke petrol engine
- 230 V socket
- Cable pull start for easy operation
- AVR automatic voltage regulator for stable output power
- Overload switch for appliance safety
- Carry-frame for protection and easy transport
- Sturdy feet

Technical Data

- Type of generator	Synchronous
- Frequency	50 Hz
- Continuous power (S1) at 230 V	680 W
- Max. power (S2 S2time) at 230 V	800 W 1 min
- Nominal current at 230 V	3 A
- 230 V socket	1 Pieces
- Engine	two-stroke, air cooled
- Number of cylinders	1 Pieces
- Engine displacement	63 cm ³
- Engine speed	3000 min ⁻¹
- Max. engine power	1.2 kW
- Fuel	Mixture
- Capacity of fuel tank	4 L
- Running time with 2/3 load	6.6 h
- Sound power level LWA	90 dB (A)

Logistic Data

- Product weight	18.6 kg
- Gross weight single packaging	19.7 kg
- Dimensions single packaging	425 x 355 x 360 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	19.7 kg
- Dimensions export carton	425 x 350 x 358 mm
- Container quantity (20"/40"/40"HC)	522 1116 1302
