Dirt Water Pump

Flutset GE-DP 7535 N LL ECO

Item No.: 4181515

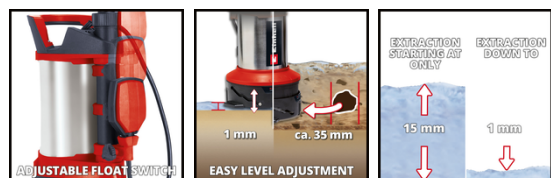

Ident No.: 21014

Bar Code: 4006825683158

The Einhell Flood Set GE-DP 7535 N LL ECO is ready for immediate use in the event of flooding. Both clear water and dirty water with particle sizes of up to 3.5 cm are no problem. With 750 W of power, it achieves 18,500 L/h and up to 9 m discharge head. It is energy efficient thanks to ECO-Power. The float switch, along with the associated dry-run protection and mechanical seal, ensures safety and durability. With clear water, shallow suction means the pump achieves residual water levels as low as 1 mm. The suction level can be adjusted in 4 levels. The pump can be started with water depths greater than 15 mm. The set includes 1x Universal Adapter, 1x 10 m fabric hose with 3x quick couplings, 1x Quick Connector and 1x plastic case.

Features & Benefits

- 2 in 1: Clear water and dirt water pump
- ECO power: higher flow rate, lower power consumption
- Shallow suction down to 1 mm residual water level
- Can handle water containing particles up to 35 mm in size
- Pump can be started in as little as 15 mm of water
- Float switch with infinitely adjustable height
- Continuous mode for uninterrupted suction
- Thermal overload protection prevents the motor from being damaged by overheating
- Integrated non-return valve prevents water backflow
- High-quality mechanical seal for long service life
- Easy-access hose connection on top of the pump
- Carrying handle with integrated lifting eyelet
- 47.8 mm (R1 1/2 external thread) hose connection
- Incl. Universal Adapter for 25/38 mm and 33.3 mm (1" external thread)
- Incl. 10 m fabric hose with 3x quick couplings
- Incl. Quick Connector
- Incl. plastic case for protecting the pump

Technical Data

- Mains supply	220-240 V 50 Hz
- Power	750 W
- Max. delivery capacity	18500 L/h
- Max. delivery height	9 m
- Max. immersion depth	7 m
- Max. water temperature	35 °C
- Max. size of foreign particles	35 mm
- Hose connection	47,8 mm (1 1/2" AG)
- Power cord	1000 cm H07RN-F

Logistic Data

- Product weight	5.55 kg
- Gross weight single packaging	12.7 kg
- Dimensions single packaging	350 x 340 x 481 mm
- Pieces per export carton	2 Pieces
- Gross weight export carton	26 kg
- Dimensions export carton	680 x 360 x 470 mm
- Container quantity (20"/40"/40"HC)	480 960
