The Einhell scroll saw TE-SS 406 Vario FP is the perfect tool for model making and intricate sawing jobs. With 130 W power, 50 mm cutting height and continuous Vario-Speed control, the saw can be optimally adapted to material and application. The solid cast aluminium housing, a rubberised base and cast aluminium work table, which is tiltable up to 45° on both sides, ensure high stability and low-vibration operation. A workpiece holder with saw blade guard, a quick-release lever, a 360° adjustable blow-off device, a dust extraction connection, a switchable LED light (requires 2x AAA batteries – not included) and the option for workbench mounting complete the features. Delivery incl. 2 x saw blades.
