Woodworking Lathe

TC-WW 600 CE Vario

Item No.: 4312095

Ident No.: 21013

Bar Code: 4006825679441

The Einhell TC-WW 600 CE Vario woodturning lathe is a reliable machine for precise turning work. With 600 watts and constant electronics, it delivers high performance even under load. The stepless speed control (800 to 3,000 rpm) allows for adjustment to suit the material. The tailstock and highly adjustable tool rest can be flexibly positioned on the aluminium guide rail and fixed using the quick-release lever. Workpieces up to 60 cm long and 25 cm in diameter can be mounted. The included 80 mm faceplate enables turning of bowls, plates, cups and more. Mounting accessories for securing the lathe to a workbench are included.

Features & Benefits

- Constant electronics maintain the rotation speed even under load
- Powerful motor for processing various types of wood
- Speed control for optimum speed adjustment
- Flexible and easy-to-adjust tool rest
- Tailstock with centre point for securing the workpiece
- Quick-release lever for adjusting tailstock and tool rest
- Incl. face plate for turning plates, bowls etc.
- Incl. material for mounting the machine on a workbench
