RT-JS 85 Pendulum Jigsaw

Art.-No. 43.210.80

This pendulum jigsaw makes work-ing a real pleasure because of the toolless adjustable soleplate and the easy-to-change saw blade. Both saw blades with a T and U shaft can be used. Full view of the blade enables easy, precise work. An electronic stroke speed guarantees smooth operation. An integrated LED provides additional illumination in difficult-to-work areas. After use, the blades are stored safely inside the tool.
