The original Einhell USB Fast Charger is a compact power adapter for fast charging a wide range of devices. It delivers up to 65W via the USB-C port and up to 18W via the USB-A port (max. 15W at 5V), allowing two devices to be charged at the same time – from smartphones and tablets to laptops, headphones, power banks and more. A 100cm USB-C cable is included, so the adapter is ready to use straight away. The rubber coating offers a pleasant grip and protects against wear. Thanks to its compact size, the charger fits into any bag. The USB power adapter is also a suitable accessory for the Einhell Cordless Energy Station TE-ES 18/150/1 Li-C.
