The Einhell E-Case Drawer Case is part of the modular E-Case system. It can be securely stacked and combined with Half Size E-Cases. The case features three sturdy drawers: two small ones for accessories and a large one for tools like cordless screwdrivers. Each drawer holds up to 20 kg, with a total case load capacity of 1,000 kg. The drawers remain accessible even when stacked and can be locked using sliders. A padlock facility provides extra security. Supplied with 12 organiser boxes, a divider set, and transparent windows for easy labelling. The ergonomic carry handle ensures easy transport.
